Students considering a concentration in network administration are advised to choose from the following CIT restricted electives: CIT220, CIT250, CIT251, and CIT255.

NOTE: Various IT industry certifications and AP exams are recognized as having equivalent knowledge of certain CIT courses and can be used to meet CIT course prerequisites or advanced standing toward a CIT degree or certificate. Proof of certification is required by the director of student registration at the campus where you are enrolled. See an advisor or CIT faculty member for a list of recognized certifications and their equivalent CIT courses.

Comments: _____

* TRF=Transfer Credit CBE=Credit by Exam CLEP=College Level Examination Program AP=Advanced Placement Examination

This advising/graduation checklist lists the program requirements for students entering CCAC in the academic year indicated. A continuing student may graduate with the requirements in effect the year the student entered CCAC. All students must earn 30 college level credits in CCAC classes (this includes distance education courses) and have a minimum institutional GPA of 2.0. Mathematics electives must be at the 100 level. The remaining program credits may include transfer credit, credit by examination, CLEP, or AP examinations. Institutional credits and GPA are used to determine eligibility for graduation.
